

# Respect All, Fear None: Stop Ragging Now!

“

Your Fun Is Someone Else's Pain  
Words cut deeper than knives.  
Pain is not a prank.

“

Ragging is not fun, it's fear.  
Silence is consent, speak up!  
Respect is a right, not a privilege.

Ragging and bullying are serious issues that can have long-lasting, devastating effects on individuals, particularly in educational institutions. It's essential to create a safe and respectful environment where everyone feels valued and protected. By standing up against bullying and ragging, we can promote a culture of empathy, kindness, and inclusivity. It's crucial to raise awareness about the harmful consequences of these behaviors and encourage victims to speak out without fear of retaliation.
